YOU DID IT FOR ME.

I was hungry and you gave me food,
I was thirsty and you gave me drink,
a stranger and you welcomed me,
naked and you clothed me,
il and you cared for me,
in prison and you visited me.

Amen, I say to you, whatever you did for the least among us,
you did it for me.

2017 Catholic Charities Annual Appeal Team

Catholic Community Foundation
The Catholic Community Foundation (CCF) supports the mission of the Diocese of Cleveland by fostering faith-based stewardship in the community for the spiritual, educational and charitable needs of all. Established in 2000, the Foundation also makes grants and manages assets on behalf of donors, parishes and Catholic institutions throughout the Diocese.

The CCF coordinates the Catholic Charities Annual Appeal (CCAA). Though there are many aspects of the CCAA – letter solicitations, email solicitations, telefunding, etc. – the aspect of the CCAA that most directly impacts the parishes is the In-Pew Appeal. The CCF is committed to providing the materials and support needed by each parish to conduct a successful In-Pew Appeal.

Please contact the following CCF personnel with questions about, or assistance with, the Appeal:

2017 Catholic Charities Annual Appeal Team (cont’d)

Parish Annual Appeal Team
Just as the Catholic Community Foundation coordinates the Catholic Charities Annual Appeal for the diocese, so the Parish Annual Appeal Team coordinates the Catholic Charities Annual Appeal In-Pew Weekends for each of our 187 parishes. The pastor/administrator/parish life coordinator, the parish secretary, the parish bulletin editor, Catholic Charities Board Members and volunteers execute the plan outlined in this manual by the CCF staff.

To execute the Annual Appeal, not just during the In-Pew Weekends but throughout the calendar year, requires a tremendous amount of effort. No one person can accomplish this on his or her own. Establishing an Annual Appeal Team in each parish is vital to its success. Each pastor or administrator should look over the duties associated with the Appeal and carefully consider who among your parish staff or parishioners might best be suited to completing each task:

- Attend the Preview Meetings in February.
- Read the Catholic Charities Annual Appeal email updates.
  - If you haven’t already done so, fill out the information on page 6 of this manual and return to Holly Hebebrand to ensure all of your parish team is receiving this vital information.
- Make certain that In-Pew Appeal materials are received via email and UPS in January.
  - Review the quantities of bulletin inserts, in-pew envelopes, pencils, posters, etc. and request additional items as needed.
  - Make certain that the audio CD and video DVD are in good working order.
- Run announcements in the parish bulletin/read pulpit announcements at Masses beginning January 21-22 and continuing periodically throughout the calendar year.
- Utilize the Catholic Charities logos and video on your own parish website.
- Insert the full color bulletin announcement in all bulletins for Announcement Weekend, February 4-5.
- Insert pencils in the in-pew pledge envelopes for use during the In-Pew Appeal, February 11-12.
- Recruit young people to distribute and collect the in-pew envelopes during the In-Pew Appeal, February 11-12.
  - Hold a practice session with all involved to ensure the Appeal runs smoothly.
- Set up parish’s audio visual equipment for either the Annual Appeal video or Bishop Thomas’s audio message during the In-Pew Appeal Weekend, February 11-12.
- Collect in-pew envelopes after Masses and mail to Agilis (instructions on page 22 and transmittal form on page 23) on Monday, February 13, 2017

Keys to Success
A compilation of advice shared by four pastors at the Preview Meetings in October 2014.

1. Thank parishioners for their generosity and/or reaching last year’s goal. Their generosity matters.

2. Use the video DVD or audio CD to convey the theme. The video/audio and the in-pew script lay out your case for support. For those who have already given, this provides an opportunity for donors to understand the impact that they have already made through their support.

3. Keep it local and speak to something about which you are passionate. Reference your parish mission or collaboration between your parish and Catholic Charities or a program that benefits your parishioners or community. People give to people, so make it personal!

4. Follow the script for the in-pew pledge process.
The mechanics cannot be overstated:

   -- Place pencils in envelopes prior to Commitment Weekend

   --Pass out the envelopes using volunteers other than the ushers

   --Walk parishioners through the process. This will ensure that they take the time to fill it out, and that they fill it out fully and completely

   --Collect envelopes immediately instead of waiting for the regular collection

5. Ongoing thanks and reminders. Use the bulletin announcements, social media, or other opportunities to share the good news! Let the parishioners know their impact!
Leading up to In-Pew Appeal

The following are recommended for the listed weekends. Please edit them to fit the styles of your speakers and your bulletin. An electronic version of the Bulletin Announcement (with artwork) can be found at www.catholiccommunity.org/2017Appeal.

Bulletin and Pulpit Announcements:

You Did it for Me. Reach out to Catholic Charities! Many parishioners received letters in January, inviting their support of the Annual Appeal. Please pray for the good work of Catholic Charities and make a pledge today. Your donation makes a difference!

Your support of the 2017 Catholic Charities Annual Appeal will help us to support those individuals who are most in need and most vulnerable. From Matthew’s Gospel: Whatever you did for the least of these, you did it for me. When we feed the hungry, take care of the sick, and welcome the stranger, we are also serving Jesus himself.

We appreciate your donation and will take special care to use it wisely in providing essential programs and services to people in need throughout all eight counties of the Diocese of Cleveland.

We invite you to view stories of inspiration and more information at www.catholiccommunity.org/2017Appeal.

Prayers of the Faithful:
That, through the faces of those with disabilities, those with addiction, and those who strive for a brighter future, we may see the face of Christ and respond in a way that speaks to their dignity.
Announcement Weekend
February 4-5

The following are recommended for the listed weekends. Please edit them to fit the styles of your speakers and your bulletin. An electronic version of the Bulletin Announcement (with artwork) can be found at www.catholiccommunity.org/2017Appeal.

Bulletin and Pulpit Announcements:

The 2017 Catholic Charities Annual Appeal begins in each parish this weekend! Please refer to the insert in this week’s bulletin which includes parish goal information and an overview of the importance of Catholic Charities in our communities. This year’s appeal theme is You Did it for Me. In Matthew’s gospel, Jesus states, “Amen, I say to you, whatever you did for the least among us, you did it for me.” With your help, we are able to feed the hungry, take care of the sick, and welcome the stranger, just as Jesus has asked us to do. How will we respond as a community of faith?

As in the past, an in-pew commitment process will take place next weekend, February 11-12. All who have not received the mailing from Bishop Thomas, or have not had a chance to respond to it, will be asked to consider making a generous pledge to support the ministries and services provided by Catholic Charities. If you have received the mailing, please respond to it. There is a box on the in-pew envelope to indicate that you have responded by mail.

We invite you to view the stories of inspiration and more information at www.catholiccommunity.org/2017Appeal.

Prayers of the Faithful:
That the love of God might be seen in the love that we show to the least of our brothers and sisters. We pray to the Lord....
Fifth Sunday in Ordinary Time:
Isaiah 58:7-10
1 Corinthians 2:1-5
Matthew 5:13-16

Pastors or Administrators are asked to preach about the Catholic Charities Annual Appeal at all Masses on Announcement Weekend. Homilists are asked to review the Announcement Weekend bulletin insert and the lists of programs and services that appear on pages 29-37 of this manual. Please identify some that would be recognized by your parishioners and include them in your homily. We have included a portion of a homily given by Fr. George Smiga of St. Noel Parish in 2013. The full homily can be found on Fr. Smiga’s blog www.BuildingontheWord.org.

The Power of Love

Today’s second reading is one of the most famous passages in the New Testament. It is Paul’s hymn to love from his First Letter to the Corinthians. I could count on one hand the number of times I presided at a marriage over the last 40 years where this passage was not used.

When we think of love, we get all warm and fuzzy. We imagine Paul being enthralled by romance. But when we examine Paul’s hymn to love, it quickly becomes clear that his understanding of love is different than the normally accepted understanding. In fact, in Paul’s understanding, there are two distinctive qualities of love, both of which can surprise us.

The first is this: For Paul, love is not a feeling; it is an action. Paul does not describe love by giving an account of its impact upon our emotions. Instead, he simply lists the actions that people who love do. Love is patient. Love is kind. Love is not jealous. It is not pompous. Love is not inflated or rude. Love does not seek its own interests. It is not quick tempered, nor does it brood over injuries. It does not rejoice over wrongdoing, but it rejoices with the truth.

This list of actions—treating other people with kindness and respect, forgiving past hurts, and rejoicing in goodness—is the way that Paul defines love. He really does not care how we feel about doing any of these actions. What he cares about is that we do them. So contrary to the Hollywood notion of love that seizes our hearts and sweeps us off our feet, true love for Paul is a decision to act in a particular way. It is not falling into love, but it is living love in every circumstance.

This leads to the second distinctive and surprising characteristic that Paul ascribes to love. For Paul, love is a vocation, a ministry, a responsibility, a way of giving witness to our faith in God. Paul knows that actions of love are powerful and have the ability to draw others to the person who does them....

...Actions of love have the power of drawing people to those who do them. This is why Paul wants the Corinthians to act with love because such actions are a powerful witness to a God in whom we believe....
In-Pew Appeal Weekend
Week of February 5th
Preparation

Audio or Video Preparation:
• Ensure that the parish’s audio visual equipment is set up properly to show the Appeal video or play the Appeal audio at all Masses. The team member present at each Mass should check all cords and be prepared to press “play” when Father gives the prompt.

In-Pew Process Preparation:
• The parish should recruit young people (CYO teams, confirmation candidates, Boy or Girl Scouts, Parish Youth Group, etc.) to distribute and collect the pledge envelopes. This not only provides a good service project and learning experience, it also ensures that you will have plenty of help. Please be sure that there is enough adult supervision and sufficient training to ensure that everyone who should get a pledge envelope gets one and that all completed envelopes are retrieved.

  • You will need one student in every section of your church, about every 5 to 8 pews. You will need one adult in each side aisle to retrieve extra envelopes from some pews and to provide extra envelopes for pews that do not have enough. The adults should also distribute envelopes to any people who are standing or are in the cry room or the choir loft. If there are large numbers of standing room people, assign extra adults to them.

  • Each parish should hold a practice session for the students. The pastor should read through the entire script at the practice. The pastor should give a prearranged signal that will tell the students/ushers that they should move to their assigned areas. The adult working the outside aisle can retrieve overages and provide envelopes where there are shortfalls. Only one adult per side aisle is needed.

  • Students will need the following information. To ensure that the students attend their assigned Mass and report at the right time and place, a letter containing the following information should be sent home with them after the practice session.
    o Date and time of their assigned mass.
    o Where to report.
    o Where to pick up their supplies.
    o Where to wait for the signal that it is time to distribute their envelopes.
    o Which specific pews they will work.
    o When they will be expected to move to their assigned locations (when Father signals from the altar and what signal he will use).
    o What to do while the people are completing their pledge envelopes.
    o Where to get the collection baskets.
    o Where to empty the baskets after they collect the pledge envelopes.
    o Where to return the baskets.

  • At least one member of the team must be present at every Mass to make sure that the process goes smoothly and completed pledge envelopes are properly secured. That person will brief the ushers before every Mass as to the Appeal process and the role of the students.
In-Pew Appeal Weekend  
February 11-12  
Notes for the Pastor/Presider

The In-Pew Appeal is powerful.

- 30% of our overall Appeal goal is raised from the 45% of overall donors that pledge to the Appeal through the In-Pew Weekend.
- By presenting the case of support for the Catholic Charities Annual Appeal at the Mass, our pastors are able to reach all the faithful present in churches across the diocese.
- This method is the best – and perhaps only – way to reach new donors to Catholic Charities.
  - Just like many parishes, our donors are aging and our numbers are declining.
  - It is critical to attract new donors to support Catholic Charities for the long-term well-being of this vital organization.

The pastor’s leadership is critical to the success of the in-pew process.

- No other member of the parish will be as successful leading the process.
  - People will respond in far greater numbers if the pastor is the one reading the in-pew script.
  - Up to this point, people have heard about the Appeal and why it is so very important to support it through a letter from Bishop Thomas. Some will have pledged by mail.
  - Now is the time to ask all the rest of the parishioners for their financial support!
    - The fact that you, their pastor, is asking will have a very positive effect on the importance that people place on the request.
- As pastors, we ask that you reflect on why you support Catholic Charities and the Appeal and publicly comment on some of those reasons.

The mechanics of the In-Pew Appeal are critical to success!

- Distribute the envelopes. Use a group other than the ushers to do so to indicate this collection is somehow different and important.
  - Envelopes left in the pews are easy to ignore.
  - Envelopes left in the pews often become scratch paper. They may get hung on the fridge as a display of a toddler’s Mass-time artwork, but are unlikely to become pledges to Catholic Charities.
- Walk parishioners through filling out the envelope.
  - Of course your parishioners can do this on their own, but if you indicate that you are walking them through the process because you want everyone to consider a pledge of support, they are more likely to actually do so.
- Collect the envelopes immediately.
  - Don’t wait for the regular collection basket to be passed. Envelopes will be tucked into purses or pockets or put aside.
- Avoid stating or implying that people should take the pledge cards home and bring them back.
  - This approach results in large numbers of pledge cards never being returned.

Bulletin and Pulpit Announcements:

The 2017 Catholic Charities Annual Appeal is underway with an in-pew commitment process taking place this weekend. This is not a special collection; rather, the Catholic Charities Annual Appeal represents the chance for all Catholics to make a significant pledge, payable in installments, to Catholic Charities, Diocese of Cleveland in order to support its mission of a society that stands united in its support of the “least among us.” Many parishioners have received a letter from Bishop Thomas requesting their support. If you have not received this letter, please respond to the in-pew commitment process today! If you have received the mailing, please respond to it. There is a box on the in-pew envelope to indicate that you have responded by mail.

You did it for Me. Your support of the 2017 Catholic Charities Annual Appeal helps us to carry out the mission that Jesus entrusted to us: I say to you, whatever you did for one of these least brothers of mine, you did for me.’ Please consider a generous gift that will change the lives of the 400,000 who are served each year in Northeast Ohio. Please pray for the success of the appeal, which provides for essential programs and services in need throughout all eight counties of the Diocese of Cleveland.

On behalf of the poor and needy of Northeast Ohio, thank you! We invite you to view the stories of inspiration and more information at www.catholiccommunity.org/2017Appeal.

Prayers of the Faithful:
That the church might continue to grow in holiness through merciful mission to those who are most in need of God’s love;

That our Pope Francis, our Bishop Richard, our Bishop Daniel, and all bishops will recognize God’s call to mission on behalf of all people neglected by society;

That the success of our 2017 “You Did it For Me” Catholic Charities Appeal might shower with mercy those who are hurting: our homeless, our hungry, our unemployed, and our addicted;

That our elderly, our chronically ill and those living with mental disabilities might find in our parish community respect, dignity and Christian love;

That the love of God might be seen in the love that we show to the least of our brothers and sisters;

That we might embrace our poor and our suffering sisters and brothers as Christ embraces and loves the outcast of society;

That God’s voice calling us and empowering us for mission in his name might stir our hearts to mercy, compassion, and love for all humanity;

That we might seek more and more the merciful and empowering love of God through the sacrament of Penance.
In-Pew Appeal Weekend
February 11-12
Homily

The 2017 Catholic Charities Annual Appeal will feature a video to be shown on the In-Pew Weekend at all Masses February 11-12. As for the past few years, **we are asking all parishes to show the video to their parishioners** as the lead-up to the In-Pew Script provided in this manual on pages 16-18. The video helps to illustrate the many services provided to thousands of people in each part of our diocese every day through Catholic Charities programs and services.

This year all parishes also received a pre-recorded audio message from Bishop Thomas.

Play the Catholic Charities video DVD or audio CD at all Masses on In-Pew Weekend. Please test and preview the DVD or CD on your system before the presentation. If the equipment is adjustable, correct the base and treble for the best sound and make note of the appropriate settings.

- **Every parish is strongly encouraged to show the video (or play the audio) to their parishioners during Masses on In-Pew Weekend.** The video/audio is the homily for the Masses on February 11-12, no other preaching is necessary on those days.

- If you cannot show the video during your Masses, **please make every effort to showcase the video to as many groups as you are able.** Last year parishes successfully used the video as a tool for kicking off service projects in their PSR and day schools. Many parishes posted the video on their parish websites or emailed it to parishioners as part of their regular weekly emails out to the parish. Other parishes showed the video in a gathering space during coffee and donuts after Masses. The video tells stories of real people whose lives have been changed by Catholic Charities and the importance of promoting it to your parishioners cannot be overstated.
In-Pew Appeal Weekend  
February 11-12  
In-Pew Script  
(with Homily Helps from Liturgical Guide incorporated)

(To be presented by the Pastor on In-Pew Weekend after the Catholic Charities video is played.)

Good Morning/evening. As your pastor, I want to thank all of you who have so generously supported the mission of the Church through the Catholic Charities Annual Appeal. Here in Cleveland, we are part of one of the oldest and largest Catholic Charities networks in the United States, serving over 400,000 people each year through over 150 services at 60 locations throughout the eight counties of our Diocese. For more than 100 years, Catholic Charities has provided help and created hope for those who are most vulnerable and most in need.

Each of us is called to share his or her gifts in support of the Church. We must first support our parish and then our Diocese and the Church throughout the world. The Catholic Charities Annual Appeal is a very effective way to support ministries outside of our parish boundaries – ministries that serve people who are most in need, here in our community and throughout our diocese.

The theme for the 2017 Catholic Charities Annual Appeal—“You Did it For Me”—brings us to the Gospel message in Matthew 25: “Then the righteous will answer him and say, ‘Lord, when did we see you hungry and feed you, or thirsty and give you drink? When did we see you a stranger and welcome you, or naked and clothe you? When did we see you ill or in prison, and visit you?’ And the king will say to them in reply, ‘Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me.’” Through our support, Catholic Charities is able to serve those who are most vulnerable and most in need.

This past year, at the close of the year of Mercy, Pope Francis focused on the fruits of mercy, in granting us the opportunity to reach out to those who are most marginalized. In Misericordia et Misera, he referenced Matthew’s Gospel, stating that, “I was naked and you clothed me” (Mt 25:36), oblige us not to turn our backs on the new forms of poverty and marginalization that prevent people from living a life of dignity.”

[“Being unemployed or not receiving a sufficient salary; not being able to have a home or a land in which to live; experiencing discrimination on account of one’s faith, race or social status: these are just a few examples of many situations that attack the dignity of the person. In the face of such attacks, Christian mercy responds above all with vigilance and solidarity. How many situations exist today where we can restore dignity to individuals and make possible a truly humane life!”] How are we preparing them to live with dignity and responsibility? With what hope can they face their present or their future?

The Catholic Charities Annual Appeal is an invitation for every Catholic to join with our beloved Pope Francis and participate as we are called to witness the fruits of His mercy. God reaches out to us despite our sinfulness, reaching out in love that invites us to repent, to turn again to the love of God that comes to us in Jesus Christ.

We are called from our sinfulness to serve God in the poor, the marginalized, the weak, the outcast. In serving our brothers and sisters, we serve God. In responding to the Catholic Charities Annual Appeal, we have the opportunity to demonstrate God’s power through weakness.
I would be so pleased if we could achieve 100% participation from our parish in this year’s Appeal. Your support of the Appeal would reflect your commitment to the mission of our Church to serve the margins of society and your own neighbors in need.

I now ask one member of each household to take a pledge envelope. You will find a pencil inside the envelope. One member of each household should take an envelope, even if you have already pledged through the mail or may not be able to pledge at this time. Please note that once you are finished, the pencils should NOT be placed back into the envelopes, but will be collected separately. I will walk us through the pledge process so that everyone can complete the form together. By reading the card and leading everyone step by step through the pledge process, it actually takes much less time and we should be through with this in just a few minutes.

(Pause and make sure that everyone has received a pledge envelope and pencil. Pay special attention to people who are standing and in the cry room or choir loft. Once everyone has an envelope, continue with the script.)

Now, please open the flap and remove the pencil. Remember; do not place the pencil back into the envelope when you are finished.

(Pause and wait until about half of those participating are looking back at you.)

Please print your first name, last name, and if you are married, your spouse’s name on the top line.

(Pause)

On the second and third line, please print your complete street address including any apartment number and city/state and zip code.

(Pause)

Please print your telephone number and your e-mail address.

(Pause)

Now, please print the name of your parish.

(Pause)

If you have already given by mail, please check the box, only. Also, if you do not wish to give, please check that box.

(Pause)

If you have not already pledged by mail, please go to the right side of the envelope. Keeping in mind that you can make ten monthly payments, please check the amount of your pledge. In the event that you wish to contribute an amount other than the ones indicated, please check the “Other” box and indicate the full
amount of your pledge on the blank line.
There is no need to provide a down payment today unless you wish to do so. You will receive monthly reminder statements until your pledge is paid in full.

(Pause)

Now, please look at the boxes under your pledge amount and indicate the total amount that you pledged in the first box.

In the event that you are making a down payment, write the amount of the down payment in the next box.

(Pause)

Subtract the down payment from the full amount of your pledge and note the unpaid balance on the line provided. You will receive monthly reminders for the balance due.

(Pause)

In the event that you wish to use your credit card, please go to the section at the bottom left of the pledge form and indicate if you wish to have Catholic Charities automatically charge you 10 equal installments over 10 months or “One Single Payment” today.

Complete the additional credit card information being sure to include the expiration date of your credit card, your signature and today’s date.

(Pause)

Keeping the pencil separate, please tear off the pledge form, insert it into the envelope with your check, if applicable, and seal the envelope. Now, please place the envelopes and pencils in the basket as it comes to you.

On behalf of Bishop Thomas and myself, but most especially on behalf of those who will benefit from your contributions, I thank you for your gift to the Catholic Charities Annual Appeal.

May God bless you.

The following are recommended for the listed weekends. Please edit them to fit the styles of your speakers and your bulletin. An electronic version of the Bulletin Announcement (with artwork) can be found at www.catholiccommunity.org/2017Appeal.

Bulletin and Pulpit Announcements:

This is the final weekend of the in-pew portion of the 2017 Catholic Charities Annual Appeal. This is not a special collection; rather, the Catholic Charities Annual Appeal represents the chance for all Catholics to make a significant pledge, payable in installments, to Catholic Charities in order to support its mission of a society that stands united in its support of the “least among us.” Many parishioners have received a letter from Bishop Thomas requesting their support. If you have not received this letter, please respond to the in-pew commitment process today! If you have received the mailing, please respond to it. There is a box on the in-pew envelope to indicate that you have responded by mail.

There is joy in giving and there is joy in serving. Over 400,000 people from every suburb and city in Northeast Ohio benefit from Catholic Charities programs and services each year. Please consider a generous gift to the Catholic Charities 2017 Annual Appeal, and please pray for the success of this important Appeal.

We invite you to view the stories of inspiration and more information at www.catholiccommunity.org/2017Appeal.

Prayers of the Faithful:
That through giving to others and sharing God's love with those in need, we may find that we ourselves are fed, we ourselves find shelter, we ourselves are lifted up in hope and in dignity. We pray to the Lord...

For the success of the 2017 Catholic Charities Annual Appeal, both in our parish and throughout the diocese. May the faithful open their hearts to live joyfully and generously so that Catholic Charities may continue the mission of Jesus by responding to those in need through an integrated system of quality services designed to respect the dignity of every person and build a just and compassionate society. We pray to the Lord...
Follow up In-Pew Appeal  
Weekend May 21-22  
Process

*The purpose of follow-up weekend is to catch those parishioners who might have missed Mass during In-Pew Weekend.*

Conducting the process on two weekends saves the Appeal a significant amount of money. In-pew solicitation is the least expensive way to secure a pledge. Follow-up mailings to those parishioners who do not pledge through the in-pew process solicitations cost money and it sometimes takes two or three mailings before the letters are opened and a response is received.

**Annual Appeal Team:**

- The person coordinating the in-pew process will need to perform the same set-up steps that were followed for In-Pew Weekend.
- Prepare the pledge envelopes and pencils.
- Be sure to arrange for the volunteers that will help with the process at each Mass.
- Make sure that one person is assigned to manage the process at each Mass.
- On Follow-Up Weekend, however, there will be a different presenter at each Mass. Either the Presider will lead the in-pew process or lay leaders will need to do it.
- The homily need not be about the Appeal but should be brief to allow time for repeating the in-pew process.
The In-Pew Script for the Follow up In-Pew Appeal in May will be provided to all parishes in late April/early May.
Processing of In-Pew Envelopes

- Envelopes should be stored in a secure location until processed and mailed on the Monday or Tuesday following the In-Pew Weekend in both February and May.
- Sort through the envelopes. Discard unsealed, empty and/or blank envelopes. Mailing these increases your shipping costs and our processing costs – we are charged per piece.
- Do **NOT** open sealed envelopes.
- Please count all sealed and/or completed envelopes, fill out the transmittal form on page 23 of this manual, (IMPORTANT: Make several copies of the transmittal form to ensure you have a blank form for future mailings.) and send to the address listed on the form.
- Please send all pledge envelopes to Agilis by UPS or Fed-Ex. If you must use the USPS, please send the envelopes by a method that includes a tracking number. We hope to avoid lost and missing envelopes through the use of tracking our shipped packages. Thank you for your cooperation.
- Follow the same procedures to return in-pew envelopes that are returned to you throughout the weeks following the in-pew weekends.
In-Pew Envelope Transmittal Form

Make copies of this form so you have blank forms available in the future.

Processing Instructions:
- Please count the number of envelopes, and complete the information below.
- **Do NOT open the envelopes!** Send unopened.
- Keep a copy of the completed form for your records, and include this original document in shipment.
- Refer to the processing instructions on the previous page of the manual.
- If Agilis does not receive your first shipment of envelopes within two weeks of the In-Pew Weekend, Holly Hebebrand of the Annual Appeal Office will call you to inquire as to their status.
- **Please note:** You will not receive a confirmation from Agilis, so a tracking number attached to your shipping method is highly recommended.

Social Media and Online Communications

Much like the In-Pew efforts, social media and online communications reach another demographic, beyond those who are registered or present in the pews each weekend. This is another means through which we can better tell the story to an online community and, again, reinforce the connection between our Church and Catholic Charities.

Online resources can be found through the ‘For Parish Leaders and Volunteers’ website:

Case Statement

As one of the largest comprehensive health and human services organizations in the region, Catholic Charities, Diocese of Cleveland carries out Christ’s healing mission here in Northeast Ohio. Catholic Charities, Diocese of Cleveland delivers more than 150 services at 60 locations to nearly 400,000 people each year – providing help and creating hope for people of every race and religion in each of the eight counties in the Diocese.

Family and Community Services: Whether the need is a loving home for foster care or help with substance abuse, Catholic Charities provides an integrated system of services to children and families, including early learning centers and Head Start programs with Early Childhood Educated Staff, parenting classes, job placement training and mental health counseling.

Persons with Disabilities: Catholic Charities provides services to children and adults with disabilities, enabling them to live to their fullest potential. Social and recreational activities, such as summer and day camp and monthly dances, provide opportunities for enrichment. Life skills training and in-home personal care help meet the challenges and triumphs of living independently.

Emergency and Specialized Services: Whether they are the working poor or unemployed and homeless, the number of people with emergency and transitional needs continue to grow. Grounded in Catholic social teaching, Catholic Charities is motivated to assist those with the most basic needs of food and shelter, but strives to help move people beyond permanent crisis. Additional services include job readiness training, mental health counseling, assisting refugees, and substance abuse support groups.

Elderly and Chronically Ill: Catholic Charities works with seniors to ensure they maintain their dignity of life with attention to emotional, social and spiritual needs. Catholic Charities offers a range of living options – from independent living to skilled nursing care, home visits, meal delivery, transportation services and adult day activities. Catholic Charities’ hospice service extends its quality of care, compassion and support for those who enter life’s final journey.

Treatment, Prevention, and Recovery Services: Catholic Charities provides a comprehensive system of services designed specifically for the mental health and chemical dependency needs of children, youth and adults. Many services are offered by bilingual, bi-cultural staff to specifically serve the Hispanic community. Programs are offered at multiple locations in Cuyahoga County.

Parish Outreach: The office works in partnership with parishes, community organizations, and other Diocesan offices to provide education, formation and training activities, and direct services to individuals and families, including youth and young adults, older adults, persons with disabilities, poor and vulnerable populations. The Office for Human Life and Dignity is also housed under this office.

Social Justice: The Diocesan Social Action Office (DSAO) was formed in 1989 to serve as the administrative/management arm of the five Catholic Commissions of the Catholic Diocese of Cleveland. The DSAO ensures that actions taken are consistent with the priorities of the Bishop of Cleveland, Catholic Charities, the United States Conference of Catholic Bishops, Catholic Conference of Ohio and Catholic Charities USA.
