## You Can Help Our Parish Reach Our 2022 Goal

### Opening Hearts and Homes For Children In Northeast Ohio

The joy on their faces was unmistakable as Scott and Samantha drove up to the Catholic Charities office to welcome baby Sophia into their arms. Even baby Sophia's birth mother was excited to witness this special moment, one she so generously chose for her baby. Scott and Samantha had been waiting to adopt a baby through Catholic Charities for over a year, but on this day, they welcomed a beautiful girl into their home. For more than 100 years, Adoption Services has been assisting and supporting birth families who may be scared, overwhelmed, or simply want what's best for their child. This Catholic Charities program also helps those looking to grow their families by assisting them through the adoption process.

*By making a gift to the Catholic Charities Appeal, you will Be the Light for people throughout Northeast Ohio who turn to Catholic Charities in their time of need.*
