Proposal

# Hello!

## Introduction

The Catholic Community Foundation is helping promote the fact that Ohio is allowing people to receive a tax credit for their donations to the Angel Scholarship Fund. Taxpayers in Ohio can specify which school their donation goes to. For this reason, schools are encouraged to promote themselves within their parishes and communities members.

Shape has put together a templated video process that provides a cost-effective method to help as many local parishes promote their own tax incentive scholarships. The process will include an afternoon of filming on locations with 1-2 people, helping them go over their individualized message. We will then edit the video for you to use in any way that you wish.

We will have some pre-recorded b-roll that we can pull from to help share the individual messages.

Item	Details	Cost
3-4 hour video shoot	Interviews/B-Roll Equipment Staffing Editing	
		<b>Total: \$1,300</b>

## Details

Angel Scholarship Fund Video

## Key Benefits

Shape has helped many schools with this very project and can be very efficient, making the whole process simple and stress-free!

## Thank you

We look forward to working together again! We are excited to help spread the word about this great opportunity for people to support Catholic education. We can't wait to tell this story and many more to come!

Patrick Fenner

Proposal

# Terms

---

## Proposal Acceptance

To accept, please sign and return a copy of this document.

In lieu of physically signing this document, an email containing a copy of this document with the words “I approve this proposal and agree to begin work” will be accepted.

Shape may use some of the finished products for teaching purposes within our organization as well as for promotional materials.

**A deposit will be required for a full-day contract.**

---

**Approved By**

---

## Contract Completion

Shape will always communicate if anything is off track or if changes need to be made to the scope of work. Proposal includes a necessary editing timeline and accounts for necessary revisions.

Once filming has completed we will begin the post production stage. During the post production stage Shape will provide links/downloads of each edit.

We require that requested revision edits be submitted back to Shape within 48 hours of receiving them, this will keep the project on track and ensure that the project stays in our queue.

If additional edits or revisions fall outside the proposal Shape will invoice an additional \$100 an hour.
