<Parish> Raises \$XX for Catholic Charities Annual Appeal!

Thanks to the generosity of **XX parishioners** at **<Parish>**, we have exceeded our parish goal by raising **\$XX** for the 2021 Annual Appeal! We're thrilled that we reached **XX% of our goal** but that does not mean the Appeal is over.

Every day, Catholic Charities sees an increase in requests for services and programs that are proven to transform lives. The need continues and we hope your support will also continue. **Together, we can make a difference.**

Your Support at Work in Medina County

The *Help Me Grow Home Visiting* program provides education on infant growth, development, and parenting skills. During a home visit, parents may ask questions, share their thoughts, and receive reliable information regarding parenting and child development. Through a non-judgmental and compassionate approach, the home visitors empower parents and caregivers with skills, knowledge, and confidence so that they may give their child the best possible start in life.

Without you, programs like these would not be possible and thousands of people would struggle to find help and hope. Thank you for making the success of the Catholic Charities Annual Appeal a priority at **<Parish>!**
