

Volunteering at Catholic Charities

Looking for Opportunities?

We are always looking to provide volunteer opportunities for groups, families, individuals and interns.

The website includes service descriptions by interest category and site location. Check out service projects under open service positions for descriptions.

Our At-a-Glance Interest Category Matrix offers a quick and easy way to see our most common needs by site and interest category. Look under open service positions.

Immediate need service descriptions are often published on the home page of volunteer tab.
