Your Support at Work in Summit County

Trish's recovery journey began in 2006, but it wasn't an easy one for her to start. She struggled with her addiction, but despite many setbacks, Trish was able to stay clean. In 2019, Trish began working for Catholic Charities as a peer recovery support specialist at St John the Baptist Recovery Outreach Center in Akron where she assists others who are struggling with addiction. "Being a recovery coach is more than just empowering individuals and encouraging them and getting them from point A to point B. It's about helping them become self-sufficient and teaching them about the resources available in the community. And then connecting them with those resources and showing them how to use them," says Trish.

Without you, programs like these would not be possible and thousands of people would struggle to find help and hope. Thank you for making the success of the Catholic Charities Annual Appeal a priority at **<Parish>!**
