There is now a "CC" in front of your parish ID #.

There is now a "CC" in front of your parish name. We are working to get all parish cities included in the column with the name for easier identification.

The "# Households" and "% Participation" have been removed from this report; instead, you will simply see the "# donors" your parish has from this appeal.

Instead of "\$ Fulfilled", you will see "Gift Amount Committed." This is what has actually been collected to date.

NEW, you will see "Projected Recurring Remaining." This is what is left to be fulfilled of recurring gifts through the end of the year.

Instead of "Total \$ Pledged", you will now see "Total \$ Raised". This includes all gifts made: fulfilled, pledged, and partially paid.

These both remain the same!
